There are so few failures in the Burkburnett field that the percentage is almost negligible.

Astonishing

Facts

COMPANIES TO

days will witness hundreds of cheer days will witness than the coefful faces in Burkburnett and Wichita Falls, se well as in other places where stock in the Isonal oil companies is held. This happy feeling will

be due to the cutting of several hig melous by probably a dozen com-panies, who have tremuries for ex-ceeding their cupitalization. In some

justances Standard Oil dividends will look weak and puny in comparison to

the percentage size of some of their melons. Sermeal of the companies are contemplating dividends of 100 per cont and in one or two instances there is talk of awarding 100 per cent cuts. In other words stockholders will not

power have been known in the financial history of this country in any line, of business. This statement

becomes the more remarkable when profite are obtained in the short period of three months' time. It means that for the period of a year the divi-

damie would equal 300 per cent on

Once these dividends are paid and the public realizes the intrinsic value of its investments it will take a de-cidedly new and more interested view

of the oil game as it is played in Burkhurnett and vicinity. Some doubtful minded folk have wondered

why more companies have not already paid dividends, but when it is explained that the short time clapsing between the coming in of the wells.

the gauging of the well flow and the necessary thirty days' run into the

pips lines, little time has been lost or frittered away by any of the or-genizations. Of course, there have been some rumors that a few of the

their conduct of the affairs of their companies, hoping, it may be, that the

stockholders would become restlers and afraid, thereby willing to dispose

of their stock at the reigning prices, which would enable them, the monagements, to buy if in, but these cares are few, if they exist at all. No stock-

getting paid for his oil if his well is producing it. There are always small

but annexing delays and then there is the undoubted privilege of custing tu-

CUT BIG MELONS

BURKBURNETT

We not only guarantee to drill IHREE wells, but we are now trying to get the first one started.

When the drill goes down our stock will go up-and the dividends will start from the first well we bring in.

Our stock is just about gonel You'll have to hurry if you join us.

Suppose we get THREE producers! Then you'll wish you had bought while you could. It's not too late to buy if you're quick.

CROCKETT, Second Vice President, Of the El Paso-Burkburnett Oil Co. CRAWFORD HARVIE, Treasurer, Extensive beaness interests in El Paso and the Southwest. FRED H. LAZENBY, Secretary, Of the Boss Rubber Co. of El Paso. TRINSPERS. TRUSTEEN: H. B. McDOWELL ROSS E. BRYAN of Bryan Bros. FRED H. LAZENBY.

These are the Officers and

Trustees of the Big 4.

Holdings of the Big Four Oil and Refining Company

of Texas: Tract No. 1—2 $\frac{1}{2}$ acres west of Burkhurnett surrounded by producing wells.

Truct No. 2-2% acres southwest of Burk-hurners surrounded by producing wells, Tract No. 3-One 215-acre tract a little

Truct No. 4—One 40-acre tract north of Jacksbero in Jacks county. This tract of land is the offset to the Hudson Jackson well, now going down, Tract No. 5-667 1/2 acres in the eastern edge of Brown county and purflives corner of Mills county. The Lucky well is a short distance east of this property and the Goss well and the Big Duke fields are lust north a short distance. This is splendld acreage and development is now crowding up very close to us.

Truct No. 6-433 acres in Mills county. There are profucing wells very close to this property and a great deal of development work is now being done in the vicinity of this Tract No. 7—11 acres northwest part of frown county and west of the Big Duke field -115 miles west of Bailey well and about hree miles from the Sinclair well.

Tract No. 5-7,040 acres in Recres county. This acreage is in an unproven field, but a great deal of development is now being done in Recres county and those who are exploiting the oil possibilities are confident they will find oil.

The BIG 4

Big 4 is different! Big 4 is already a power in Texas Oil Development and will become a great power.

Big 4 asks you to buy its stock at \$1 per share and tells you that it is dealing in CERTAINTIES and NOT in HOPES.

In proof of which Big 4 tells you that it has bought its various properties for CASH. It will buy OTHER properties for CASH. If not another share of Stock were sold it would be perfectly easy for BIG 4 to take care of CASH transactions for large amounts amounts running into many thousands of dollars, Big 4 has no promotion stock-NO RAKEOFFS-NO

Big 4 has said that it will NOT use its drilling fund prematurely-nor will it.

But recent developments indicate that it will be advisable to drill soon-very soon. Particulars will appear in this paper shortly.

Meanwhile if you would be one of those to participate in BIG 4's operations buy BIG 4 stock at \$1.00 a share-CASH. Don't use your Liberty Bonds. You promised Uncle SAM to HELP. Don't throw him down NOW. Big 4 is an OIL COMPANY but a Patriotic One-a SINCERE One-a SURE One.

Big 4 stock is selling FAST. The one-fifth of the Capital Stock which it offers for sale is being rapidly taken up. Your Time to GET IN is RIGHT NOW.
